(TITLE AFTER THE WORK OF JESSICA SNIDERSICH)

This is the Version Leifsdottir of the EQUINOX Project

T *he ball crosses one screen, bounces and rolls off the other screen.*
SOMETHING IS STRANGE, LIKE YOU HAVE BEEN HER BEFORE. DÉJÀ VU.
You can hear the bell, even though it's quiet.
**IT'S FADING INTO GREY. USE YOUR IMAGINATION AND
PRETEND. THERE IS NO GOOD OR BAD. JUST HIGHLIGHT WHAT YOU LOVE.**

This is a curatorial experiment. An attempt to make sense out of as little as possible.
Your own personal sense. No interference. Can two persons from different backgrounds
and with different preferences come to the same result? Everyone will know.

This is what I loved. This is when we can see what the
difference is. This is when you make up your mind.
